

Year 1 Westacre Warm-ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 5th February 2024

Maths

In Maths, next week we will be continuing our unit of work on Addition and Subtraction (within 20):

- Doubles
- Near Doubles
- Subtract 1s using number bonds
- Subtraction – counting back

Education City support activities:

- Double the Fun – doubling
- One, Two, Bee – Adding and Subtracting to 20
- How we roll – Adding and subtracting one and two-digit numbers, including zero

White Rose Maths Videos:

Click on link: [Maths home learning | Home learning | White Rose Maths \(whiteroseeducation.com\)](https://www.whiteroseeducation.com)

Then click on: Spring Term (Year 1 NEW units) – Addition and Subtraction (within 20).

Please watch the videos with your child and talk about the learning.

Don't forget to also keep practising Maths skills daily on the White Rose 1 Minute Maths App:

Focus on: Subitising, Addition and Subtraction

English

We will be completing a Performance Poetry unit based on “Things the Lurk in the Library” by Joseph Coelho. We will learn and recite the poem. We will identify some poetry features such as stanza, repetition and short sentences. As writers, we will innovate sentences from the poem and then work together to innovate and own class poem “Things the Lurk in a School”. Children will perform their poems to the rest of the year group.

Education City support activities:

- Ponies are my favourite – Watch the video and discuss the poem. There is an activity sheet with a copy of the poem and questions to prompt your discussion. Children could also have a go at innovating part of this poem
