Important Reminders

In the morning, the gate will open at 8:40 am and be closed at 9:00 am.

The children are not allowed to run up the banks or across the car park at the beginning or the end of the school day.

Parents and carers are not allowed to use the school car park at anytime.

Please inform the office of any changes to your address or contact details.

A polite reminder that the children need to decide whether they are packed lunches or hot dinners for the whole week. If children change each day, it can cause problems with orders and seating arrangements.

We have had several reports of cars being parked illegally and endangering other drivers and pedestrians. It is essential that you park safely to ensure everyone within the community is safe.

Message from Mr Edmunds

We are in the process of finalising the details regarding our first parents' evening of the academic year. The sessions will take place on Wednesday 13th October 2021 and Wednesday 20th October 2021. Teachers will discuss with you briefly how the children have settled back in to school and what you can do to help support your children with their learning. We will inform you of the arrangements for the evenings in due course.
