

Year 1 Westacre Warm-ups

These are the areas of learning your child will be covering over the next **two** weeks. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Weeks beginning 4th and 11th December 2023

Maths

Next week we are consolidating work on 2D and 3D shapes in our work in Geometry:

- Recognising & naming 3D and 2D shapes
- Sorting 3D and 2D shapes
- Making patterns with 3D & 2D shapes

The following week we will be consolidating work on Place Value (within 10) and Addition and Subtraction (within 10). From assessments, our teachers will be helping to understand and secure any gaps in our learning.

White Rose Videos:

Please click on link: [Maths home learning | Home learning | White Rose Maths \(whiteroseeducation.com\)](#)

- Recognise and name 3D shapes
- Sort 3D shapes
- Recognise and name 2D shapes
- Sort 2D shapes
- Patterns with 2D and 3D shapes

Education City support activities:

- Sunny Shapes
- Flower Fun
- More or Less

English

We will be writing the ending innovated story based on “Can’t You Sleep Little Bear” by Martin Wardell. We will then be inventing, planning and writing our own ‘fear’ stories. We will focus on sitting our writing on the line and using capital letters, full stops and finger spaces correctly.

Education City support activities:

- What’s in the castle? – reading and spelling tricky words
- Clicky Business– recognising and spelling CVC words
- Champ Chimp – exploring and practising CVCC polysyllabic words
- Amazing Punctuation
