Important Reminders

In the morning, a Senior Leader will open the gate at 8:40 am. The only parents that need to access the ramp are the Nursery parents. We need to make sure the children have a clear path and have immediate access into the school building.

You will need to inform the office of any changes to your address or contact details.

To help facilitate '**Muddy Mondays**', we will need the children in **Reception** to be provided with a labelled waterproof coat and a pair of wellies.

We are in the process of finalising homework expectations and projects. You will receive information on how we feel you can support your children whilst having an awareness of the topics they are studying. The children have also been given their Education City Passwords this week. There are a range of online activities and games for your children to use whilst at home.

A polite reminder that the children need to decide whether they are packed lunches or hot dinners for the whole week. If children change each day, it can cause problems with orders and seating arrangements.

Message from Mr Edmunds

May I take this opportunity to officially welcome you to the new academic year. We have lots of exciting things planned for the children and parents throughout the year. The children have done really well settling into their new classrooms and they all look really smart in their new uniforms. A special mention to our new Reception children who have been really brave. It has been a delight meeting them for the first time and getting to know them. Thank you for your patience at the end of the school day. It is extremely busy, but I have to ensure that all of the children leave the site safely with an adult.

Thank you in advance for your continued support.
