

Reception

Westacre Warm Ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

Week beginning 27th January 2025

Mathematics

We will be exploring the composition of 6. (ways of making 6) and recording their findings with a number sentence eg, $3+3=6$ $5+1=6$ etc

Children can also continue to look at addition to 10 by playing the game below.

<https://www.topmarks.co.uk/maths-games/3-5-years/addition>

Literacy

This week we will be looking at non fiction books. We will know that non fiction books are used for finding out facts and information. We will learn how to use the contents page. Take a visit to your local library to have a look at some non fiction books. Or login to www.oxfordowl.co.uk to view some free non fiction ebooks.
