Headteacher: Mr A Edmunds

Dear Parents and Carers,

To help support the children moving into the next year group and with much consideration of their age and everything that has happened this academic year, I have made the following decisions for the next academic year. To ensure that in September we can immediately support the pupils and build on the achievements of the last term, we will not be mixing the Reception and Year 1 classes.

Miss Brown's class will be taught by Miss Burrows in Year 1.

Miss Burrow's class will be taught by Mrs Smith and Mrs Smith in Year 1.

Miss Cooper's class will be taught by Mrs Frost in Year 1.

Mrs Smith and Mrs Smith's class will be taught by Mrs Taylor in Year 2.

Miss Smith children will be taught by Miss Phillips in Year 2.

Mrs Frost's children will be taught by Mrs Lane and Mrs Pearson in Year 2.

The support staff have been allocated a year group and will be supporting where necessary throughout the academic year.

Due to the current restrictions, our transitional activities are restricted and have had to be organised differently. On **Friday 25th June 2021**, the teachers will introduce themselves formally to the children and talk to them about the plans for September.

Thank you in advance for your cooperation and continued support during this difficult time,

Yours sincerely,
