Dear Parents,

We are holding workshop sessions in the school hall for each Reception class after half term to explain how reading is taught at school using Read Write Inc. We hope that with this knowledge you will be able to support your children with reading using the same strategies as school.

The sessions will involve a short explanation and demonstration of Read Write Inc. with a member of staff and then your child will be able to join you so that you can practise techniques together.

The dates for each class are as follows:

Miss Cooper's class – Monday 11th November 9:15am – 10.00am

Mrs Bryant's/ Mrs Smith's class – Tuesday 12th November 9:15 – 10.00am

Miss Burrow's class – Wednesday 13th November 9:15am – 10.00am

We hope that as many of you as possible are able to attend.

Yours sincerely,

Mr Aidan Edmunds

Headteacher
