

## Year 2 Westacre Warm-ups

These are the areas of learning your child will be covering next week. You might be able to support your child with these through practical activities, by talking to them about what they are learning and helping to develop their understanding.

### **Week beginning 21<sup>st</sup> October 2024**

#### Maths

We will be continuing our unit of work on Addition and Subtraction. We will be following small steps of learning from White Rose Maths:

- Add 3 1-digit numbers
- Add to the next 10
- Add across 10
- Subtract across 10

You can find the video link for each of these small steps here:

[Maths home learning](#) | [Home learning](#) | [White Rose Education](#)

#### Education City support activities:

- Spin-a-Ring – Add 3 1-digit numbers
- Snakes and Adders – Add multiples of 10 to a 2-digit number
- Snakes on the Brain – Add/Subtract 2-digit numbers

#### English

In English next week, we will be looking at Dragon poems. We will be reading and learning poems by heart, performing poems (with actions) and writing our own poems – as a class and individually.

#### Spelling

So far this half term we have looked at these spelling rules:

- The or sound spelt a before l and ll e.g. all, tall
- Soft c e.g. face, price
- Adding the suffix y e.g. runny, shiny
- Adding the suffix ly e.g. nearly, weekly
- The n sound spelt kn and gn e.g. knit, knock

We have also added suffixes s, es, ed and ing to words.

Next week, we will be looking at the igh sound spelt y, such as try, fly, spy, dry, cry, reply, terrify, horrify, etc. We will also be adding the suffix -ing to these words.

You can work with your child to revisit and practice reading and writing words with these spelling patterns.

Education City support activities:

- Routes to Winning – suffix ing and ed
- Apples and Pears – adding suffixes
